

Thank you for being a MDwise member. We understand that it may be time to renew your Hoosier Healthwise benefits!

We would like to keep you and your family healthy! So that you do not lose your coverage, please remember the following:

1. You should be getting a letter in the mail from the State of Indiana telling you it is time to renew.
2. They may schedule you for a phone interview. Please be sure to keep that appointment.
3. If you need to change the appointment they set for you, call 1-800-403-0864 right away to make that change.
4. Some members do not have to have a phone interview. You may be asked to just send in documentation to continue your coverage. Please send it in right away. There is a due date listed on your letter from the State.
5. If you do not renew on time, you may lose coverage.
6. If you have questions or need to send in documents please contact:
